solid, symmetry and renew palettes

Why Kevlar®?

Ridiculous durability is a serious need. Everyday wear and tear on stairs create unattractive and unsafe damage. You need something that's ridiculously tough, so we added DuPont™ Kevlar® to our rubber stair treads.

DuPont™ and Kevlar® are trademarks or registered trademarks of affiliates of DuPont de Nemours, Inc. used under license by Roppe Holding Company.

SAMPLES AVAILABLE

Working from home? Roppe can be there for you.

As we all work to navigate our world's healthcare crisis and stay safe, we also recognize the need to help keep your projects moving forward.

Roppe is ready to send samples to your home or any other location, so use the sample form at roppe.com or contact your distributor to initiate requests for anything you need.
